First4fires is an Internet based company which sells an extensive range of decorative fires, surrounds, complete suites and accessories.

A fireplace is the heart of any home and can add that finishing touch to your room or inspire a whole new décor.

At first4fires we have carefully selected a comprehensive range to suit traditional, classic and contemporary tastes.

Either take your pick from one of our fire suites which offers a complete solution in one purchase or you may wish to design your own fireplace by selecting individual items from our range to suit your own personal style and taste.
